

ENRICHED AIR NITROX

Continue diving:

ENRICHED AIR NITROX

Price: 3490 CZ / 135 EUR

The SSI Enriched Air Nitrox program will teach you how to safely plan and dive with enriched air mixtures of up to 40% oxygen. Diving with enriched air can increase your no-decompression limits, increase your safety, and reduce the required length of your surface intervals when compared to air. You will earn the SSI Enriched Air Nitrox 40% certification after completing this program.

Speciality course details:

- one academic session
- e-learning materials in chosen language
- written final exam
- the whole course can be done online if you prefer that

Lessons are scheduled depending on your time availability. Just tell your instructor when **it suits you best**.

The price includes:

- e-learning materials in any language you need
- profesional instructor
